

CIKADERM

REGENERATES AND REPAIRS

>> SKIN REGENERATION AND DAMAGE REPAIR

MULTI-FUNCTIONAL SKIN REGENERATOR BASED ON DRAGON'S BLOOD

Cikaderm is a specialty containing an active sourced from the medicinal plant *Croton Lecheri* by tree incision, from which an active red resin (dragon's blood or *sangre de drago*) is obtained, through an ecologically sustainable harvesting process.

Dragon's blood resin contains several beneficial active ingredients, among which taspin, proanthocyanidines and lignams.

Cikaderm can be used in several skin care treatments for anti-ageing and skin repair purposes, given its rich and variegated active compounds background that leads to dermis regeneration and damaged epidermis strengthening features.

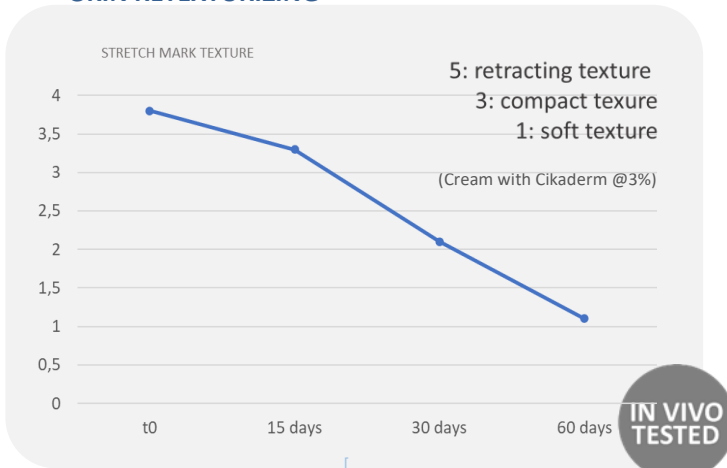

>> POSITIONING

FUNCTIONAL AND TECHNOLOGY HIGHLIGHTS

- Anti-stretchmark and scars treatments, skin regeneration (bedsores etc.)
- Anti-wrinkle
- Dry skin damage repair
- Elasticity enhancer
- Skin toning up
- Soothing and dereddening
- Skin firmness and revitalizing increase
- Skin barrier function improvement

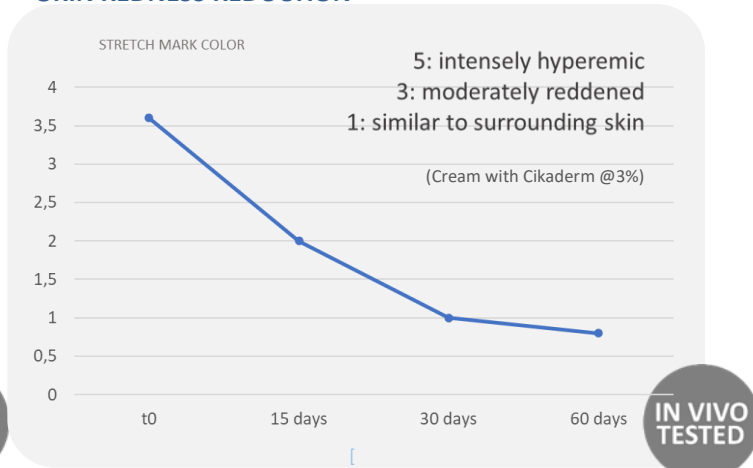

SKIN RETEXTURIZING

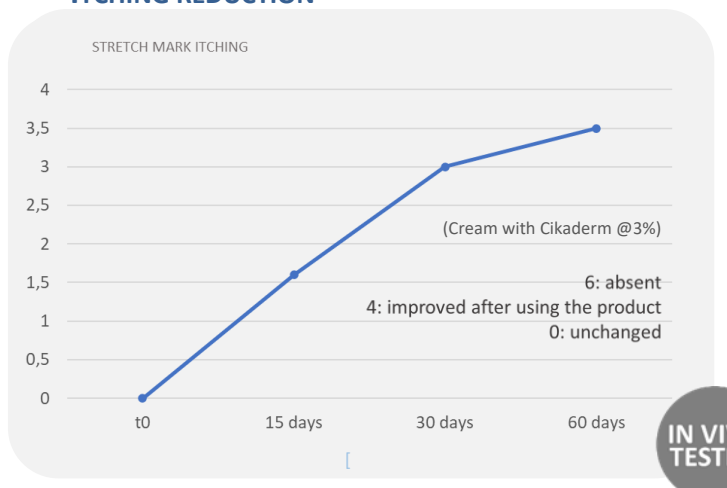

Cikaderm is proven to improve the texture of severely damaged skin (stretch mark) with a powerful softening effect detected after 60 days.

SKIN REDNESS REDUCTION

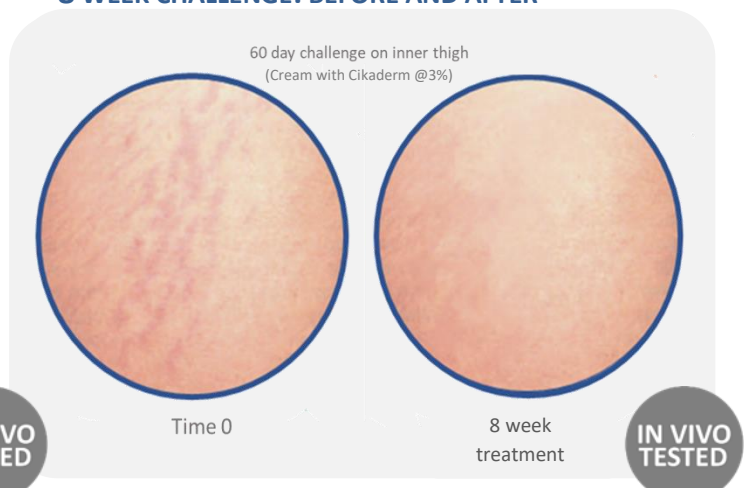

C. is able to reduce skin redness of stretch marks leading to a color shift of the affected area to a similar nuance as the surrounding healthy skin.

ITCHING REDUCTION

C. reduces stretch mark itching after 6 weeks. The soothing action is given by the proanthocyanidins, with anti-inflammatory and antioxidant features.

8 WEEK CHALLENGE: BEFORE AND AFTER

C. gives visible results after 2 months, by regularizing the skin damage and promoting the restoring of skin homeostasis.

>> TECHNICAL OVERVIEW

PH OF USE	% OF USE	APPLICATIONS	SOURCING	FORMULATION TIPS
4.0 ÷ 7.5	1.0 ÷ 5.0	Emulsions, gels, muds, lotions etc	CIKADERM (Vegetable, synthetic)	Add in cold process and stir thoroughly

[INCI NAME : CIKADERM: Croton lechleri resin extract, aluminum sucrose octasulfate, glycerin, aqua]
also available in 100 % vegetable derived, water soluble version (Cikaderm V)
